

1 Write an R code that can produce the following plots

1.1 Boxplot

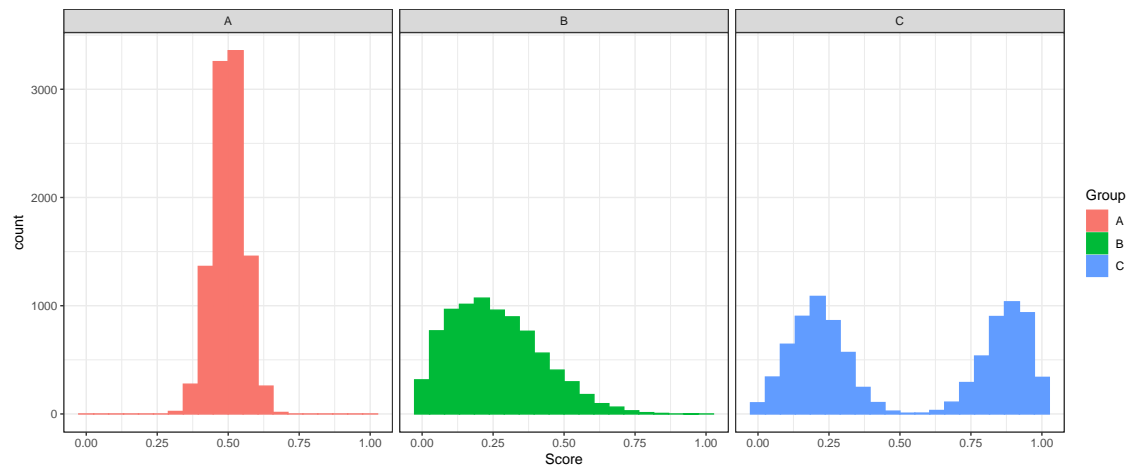

## 1.2 Pie chart

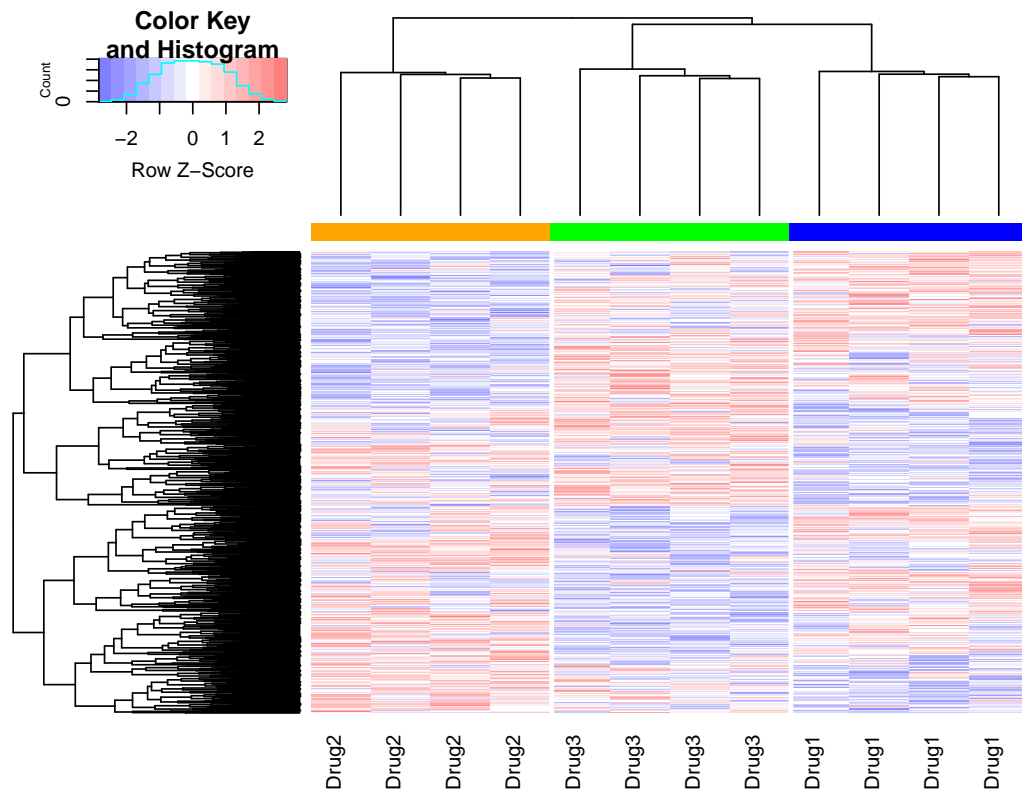

When should I use a Pie Chart?

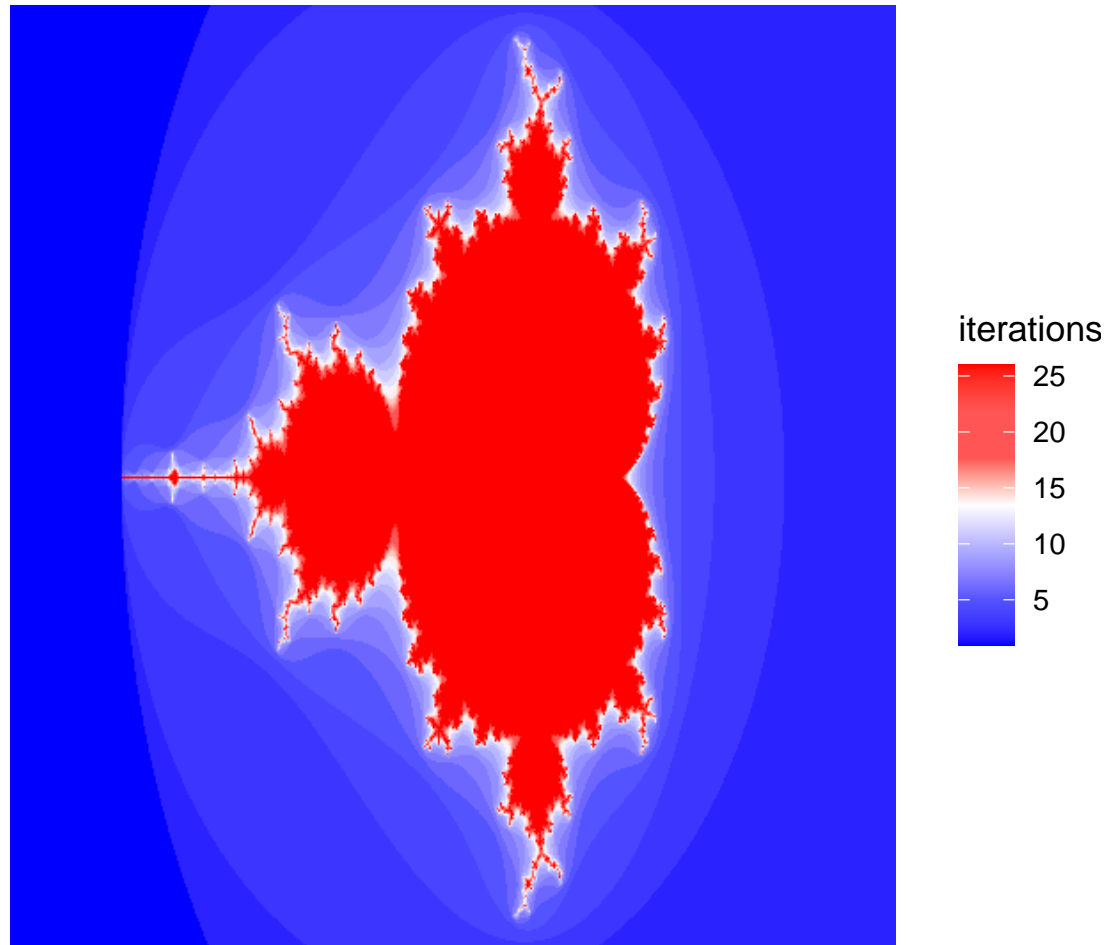

### 1.3 Histogram

## 1.4 Heatmap

## 1.5 Fractal

To read more about the last plot:

Ben Moore and Mario dos Reis (2017). `mandelbrot`: Generates Views on the Mandelbrot Set. R package version 0.2.0. <https://CRAN.R-project.org/package=mandelbrot>
